Introduction

Dear Learner

This Learner Workbook is part of the Thogomelo Child Protection Skills Development Programme for Community Caregiver Supervisors and contains activities that will be done in the classroom. The Learner Manual accompanies this Learner Workbook.

The activities in this Learner Workbook form part of your Portfolio of Evidence for the assessment of the following unit standards:

US ID	US Title	
US 120081	Provide support to child victims of abuse, neglect and exploitation	
US 119726	Participate in public education and advocacy campaign in communities	
US 119722	Identify intervention services and provide support to children and youth	
	victims of abuse	
US 119725	Provide support to victims of sexual offences	
US 13912	Apply knowledge of self and team in order to develop a plan to enhance team	
	performance	

You will be fully informed at the start of the training about the assessment plan and process. You will be expected to complete the activities and hand in this Learner Workbook at the end of the SECOND BLOCK of training. All the work in this Learner Workbook has to be your own. You have to complete all the sections in your handwriting using an ink pen.

Please share only information that you feel comfortable sharing in class and in the Learner Workbook. It will only be the assessor and the moderator who will be looking at the Learner Workbook. It is a confidential document and will be handled as such.

PLEASE NOTE: The activities in the workbook are not numbered in order – they refer to the activities in the manual.

Module 5

Exploring child exploitation

ACTIVITY 5.4

Responding to child exploitation in your community

US 120081

Aims: • To describe the nature and extent of exploitation affecting children in South Africa (SO 1; AC 1.2)

- To explain the impact of exploitation affecting children in South Africa (SO 1; AC 1.2)
- To describe and give examples of how exploitation in the family, schools, local communities and society in South Africa is prevented, reduced and addressed (SO 1; AC 1.4)
- To explain South African legislation, policies and procedures for (child) exploitation (SO 2; AC 2.1)
- To describe with examples the remedies and procedures available to victims of (child) exploitation (SO 2; AC 2.3)

Answer these questions on your own in the space provided:

THOG_CP_LEARN_WORKBOOK_2.indd 3 2016/05/30 10:29 AM

4. Describe in your own words how big a problem sexual exploitation of children is in South Africa.				
	ocal service providers that provide help and support to children victims of child labour. Explain what support each of these service s to the child.			
Example 1				
Example 2				

6. Look at the case studies in Activity 5.2. Choose four of these case studies about trafficking and for each of them answer the following questions:

Case study number	a) Is this a case of trafficking?	b) What can you and community caregivers in your organisation do to help and support the child in each case?	c) Who else must be involved in the case to deal with and solve the problem? For example, which other government departments or service providers should be involved?

ACTIVITY 6.3

Supporting community caregivers in reporting child abuse, neglect and exploitation US 119722; US 119725; US 120081

Aims: • To describe the legal responsibility of individuals, members of the community and service providers to report child abuse according to legislation (US 119722; SO 4; AC 4.2)

- To know and conduct disclosure and referral to professional services according to procedures (US 119722; SO 4; AC 4.6)
- To compile a comprehensive intake report to determine the child's needs and referral options in accordance with policy (US 120081; SO 4; AC 4.6)
- To describe the relevant police and court procedure in relation to sexual offences in accordance with relevant legislation and policy (US 119725; SO 3; AC 3.3)
- To explain the relevant procedures for seeking redress for victims of sexual offences in accordance with relevant legislation and policy (US 119725; SO 2; AC 2.4)
- To describe the rights and responsibilities of victims of sexual offences, the community and service providers with examples (US 119725; SO 2; AC 2.5)

Answer the questions in the space provided.

- 1. Explain the difference between a legal and a moral responsibility of a community caregiver to report child abuse, neglect or exploitation.
 - a. A legal responsibility:
 - b. A moral responsibility:

Module 6 Providing services to children: the continuum of care

2. When is there a legal responsibility for community caregivers to report child abuse?
3. Who can a community caregiver report abuse to? Give three examples.
Example 1:
Example 2:

What legislation provides the guidelines on how to respond to reports on child abuse,
neglect and exploitation?
6. You are a social worker or social auxiliary worker. Write an intake report following the Children's Act Form 22.

Mobilising community responses to protect children

ACTIVITY 7.1

Knowing my community response to child protection US 120081

Aim: To describe the situation in your community with regard to child services and challenges (S0 1; AC 1.4)

During the practical, you developed a "community map" that is included in your Practical Workbook 1. We will now work with these community maps. Answer the following questions for your community.

1. Using your community maps, identify the community-based services available to children in your community. For each of these services identify who the beneficiaries are.

2. What are the dynamics within your community? (refer to the community mobilisate in the Learner Manual).	ion
3. What challenges do children face in your community?	
4. Who offers programmes for parents, caregivers, teenage mothers and fathers in your community?

ACTIVITY 7.2

Organisation and community responses to child abuse

US 119722; US 120081

Aims: • To identify services required by child and youth victims of abuse and neglect according to organisational processes and procedures (US 119722; SO 4; AC 4.1).

- To explain the role of educators in identifying the appropriate intervention for child abuse and neglect for specific cases (US 119722; SO 4; AC 4.3).
- To assist victims of child abuse according to organisational guidelines (US 120081; SO 4; AC 4.5)

Answer the following in the space provided below:

1. Identify two child protection services in your community. For each service, describe briefly what needs the service meets for children who have been abused or neglected.

Strengthening and building a supportive referral network US 119722

- Aims: To identify appropriate channels for referrals in the local community using case studies (SO 3; AC 3.4)
 - To describe the processes and procedures to secure feedback on referred cases according to organisational policies (SO 3; AC 3.5)

Answer the following in the space provided:

1. Develop your referral network by completing the directory of services in relation to referring children who have been abused, neglected or exploited.

Service	Contact person	Telephone number	Where is the service found?

2. Go to the case studies from Activity 3.3 in the Learner Manual and identify their needs. Then identify who you would refer each child to in your community.

Name of child in the case study	Need of the child	Who you will refer the child to in your community?

Individual Learner Workbook 2

Exploring values and attitudes in my work

US 13912

Aims: • To explore the values and attitudes of a particular organisation with reference to the organisation's Code of Conduct (SO 2; AC 2.3)

• To indicate the effect of the Code of Conduct on decisions a team leader may make with reference to the Code of Conduct of a specific organisation (SO 2; AC 2.4)

Work with the Code of Conduct in the Leaner Manual (page 358) or your own organisations Code of Conduct, and answer the following questions:

1. What values can you identify in the Code of Conduct?

2. What attitude do most people have towards their work and colleagues?

2 Who	t do you think the course of this attitude are both positive and possitive?
3. Wila	t do you think the causes of this attitude are, both positive and negative?
1. Ident	tify and give an example of how your organisation's Code of Conduct guides:
a. Yo	our behaviour in your work (especially your function as team leader)
b. Yo	our manager's behaviour in her or his work
c. Ar	ny colleague's behaviour in her or his work

Developing myself as a supervisor and child champion in my workplace

US 13912

Aims: • To identify own strengths and weaknesses, based on self-reflection and feedback (SO 1; AC 1.1)

• To compile / write a personal development plan to strengthen own performance, with a view to becoming a role model for a team or group (SO 1; AC 1.2)

Answer the following in the space provided below:

1. Think of and write five strengths and five weaknesses that relate to your job performance. Be honest and realistic – reflect on your work performance over the last two years.
